# High Risk Patients for Non-Cardiac Surgery

## TARGET AUDIENCE:

Anesthesiologists. Certified Registered Nurse Anesthetists. Hospital and Practice Administrators will also benefit from this educational offering.

## FACULTY:

Paul G. Barash, MD  
Professor of Anesthesia, Yale University  
School of Medicine  
New Haven, CT  
(reported no relationships or affiliations with commercial interest)

## OBJECTIVES:

### Beta Blockers and Coronary Stents: Evidence-Based Medicine and Your Clinical Practice

As a result of attending this lecture the participant will be able to:

1. Integrate results of the new large scale trials for peri-operative use of beta blockers.
2. Apply data from cardiology trials of pre-operative percutaneous coronary interventions to peri-operative patient management for non-cardiac surgery.
3. Develop a patient based plan for management of patients who present for surgery with coronary stents.

### Awareness: What's the MAC of nitroglycerin?

As a result of attending this lecture the participant will be able to:

1. Integrate data from studies of intra-operative awareness to clinical practice.
2. Develop a clinical approach to reducing the incidence of intra-operative awareness.
3. Develop a treatment plan for the management of patients who have sustained an awareness event.

### Gun-owners are Safer Than doctors

As a result of attending this lecture the participant will be able to:

1. Utilize examples from the literature to become a more literate reader of scientific publications.
2. Design slide presentations that involve and challenge the audience.
3. Utilize clinical knowledge to detect scientific misconduct in the medical literature.

## DATE/TIME:

May 5, 2012, 8:00 am – 2:00 pm

## LOCATION:

The Hotel Roanoke and Conference Center  
110 Shenandoah Avenue, Roanoke, VA 24016  
540-985-5900

## CONTACT PERSON:

Loretta Hall, Human Resources Consultant  
and Conference Coordinator  
540-983-4045, lfhall@carilionclinic.org  
Andrew Mann, VSA Association Manager  
804-565-6325, andrew@societyhq.com

## CREDIT:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Medical Society of Virginia through joint sponsorship of Carilion Clinic's CME Program and Carilion Human Resources and Virginia Society of Anesthesiologists. Carilion Clinic's CME Program is accredited by The Medical Society of Virginia to provide continuing medical education for physicians.

Carilion Clinic's CME Program designates this live activity for a maximum of 3.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## PLANNING COMMITTEE:

Dr. Maxine Lee and Lorretta Hall reported no relationships or affiliations with commercial interests.
